

Elle Klass, releases “The Monster Upstairs; set in historic North Florida.

“Escape into the fantastical world, where supernatural creatures battle between light and dark; written by a twenty year North Florida resident.

ORANGE PARK, FL, UNITED STATES, March 7, 2017 /EINPresswire.com/ -- Elle Klass lives in North Florida. [St. Augustine](#) is not only her favorite U.S. city but a playground for the paranormal; loaded with ghost stories and now other supernatural creatures. She uses actual locations and includes pictures.

Book Synopsis

A mysterious, blinding white light, followed by a vision, haunts Mandy until something unthinkable happens. She comes home from school to find her mother badly injured. On instinct, through her tears, forces from within surge through her fingertips into her mother, giving her a second wind. She urges Mandy to take a note and leave, but she can't -- not yet. Her hot, dark-haired, muscle-bound neighbor, Joel, finds her and drags her crying towards the door. What awaits them on the other side sends them back into the house, where she learns Joel isn't who she thought. Her entire life gets turned upside down as her destiny sends her and Joel deep into the world of Bloodseekers and other supernatural creatures.

“Alison and Rodham, along with the other amulet-wielding Slayers you met in "The Vampires Next Door", return, their fates converging with Mandy's and Joel's, as this clever tale gathers momentum and complexity, ultimately converging in a clash between powerful supernatural forces in historic, mystery-laden Saint Augustine.”
