

# MyoBuddy Products brings popular percussive massager to 2017 IHRSA Expo

*Attendees of major fitness event to be treated to on-the-spot percussive massages from renowned MyoBuddy Massager Pro®*

LOS ANGELES, CALIFORNIA, USA, March 7, 2017 /EINPresswire.com/ -- Trade shows can be stressful—we all know it, though we often try to pretend otherwise. That's why visitors to the

upcoming [36th Annual International Health, Racquet and Sportsclub Association](#) (IHRSA) expo owe their aching muscles a stop by the [MyoBuddy](#) booth to try out the MyoBuddy Massager Pro®.

MyoBuddy Products brings to the expo momentum from an explosive start of 2017, full of events and demonstrations nationwide, as well as a growing base of dedicated massage evangelists singing the praises of the brand's staple MyoBuddy Massager Pro®.

“

From professional athletes and fitness professionals to medical professionals and everyday consumers, more and more people are discovering how helpful the MyoBuddy Massager can be”

*MyoBuddy Founder Lillo Furca*

“We've seen an amazing amount of interest in the first weeks of 2017,” said MyoBuddy Founder Lillo Furca. “From professional athletes and fitness professionals to medical professionals and everyday consumers, more and more people are discovering how helpful the MyoBuddy Massager can be.”

MyoBuddy is an Orbital Percussive Massager featuring advanced vibrational technology to help relax tight fascia,

soothe sore muscles, and assist in deep tissue massage and trigger point release. It is the most powerful and comfortable handheld massager on the market. Used by celebrities and serious influencers in the fitness and wellness industries both pre- and post-workout, the Buddy also lives in the living rooms of everyday people, plugged in next to the couch and always on call to provide soft-tissue therapy and reduce anxiety and pain.

The show runs March 8-11 and includes the two-day IHRSA trade show, and four days of outstanding keynote presentations, multiple receptions and networking events, and more than 150 educational sessions, workshops and tutorials presented by industry experts and leading business professionals.
