

METRO URGENT CARE TO ADD 300 JOBS IN DENVER METRO AREA

New urgent care company is rapidly expanding in the Denver, CO market. Multiple positions available and need immediate placement of qualified candidates.

DENVER, CO, UNITED STATES, March 7, 2017 /EINPresswire.com/ -- Denver, CO, March 7, 2017– Metro Urgent Care, based in Denver, CO, announces that they are adding more than 300 healthcare related jobs in the Denver metro area. The majority of these positions will be clinic based staff at one of the 20+ urgent care locations that are in final preparations for opening. Positions needed include: Physician, Advanced Medical Providers (NP/PA), Practice Managers, Medical Assistants, Radiology Techs, LSRT's, and Medical Receptionists/Patient Concierge.

Adding 300 Jobs to Colorado

“

We are a dynamic and rapidly expanding company within the urgent care market, and we are proud to be a major part of the Denver healthcare community.”

*Brian Tatarenko, Chief
Administrative Officer at
Metro Urgent Care*

For more information and immediate consideration please visit: www.metrourgentcare.com/careers Metro Urgent Care is a rapidly expanding and dynamic healthcare company. Their unique approach to patient centered medical care and convenient access to care has made Metro Urgent Care one of the fastest growing providers of urgent care services in the country. The majority of patient visits are for illness or injury care, yet a substantial portion of visits are for other issues like chronic disease management, occupational medicine, and standard physicals.

The equipment, culture and interior design at all Metro Urgent Care clinics is state-of-the-art. Each clinic has expanded

urgent care services to include: x-rays, labs, onsite prescription dispensing, over-the-counter medications, and other services to meet the needs of each patient. The culture of Metro Urgent Care is grounded in optimizing the patient visit experience and demonstrating empathy to all in time of medical need. Step into any of the convenient Metro Urgent Care locations and you will immediately see the difference between yesterday's tired old medical clinic versus the new and vibrant Metro Urgent Care clinics. For further details of exact locations and positions available please visit the careers page on the MetroUrgentCare.com website.

Brian Tatarenko, Chief Administrative Officer at Metro Urgent Care stated, “We are a dynamic and rapidly expanding company within the urgent care market, and we are proud to be a major part of the

Denver healthcare community. Metro Urgent Care is dedicated to recruiting, training, and employing the best medical and support personnel to provide urgent care services to patients in the Denver metro area."

About Metro Urgent Care:

Metro Urgent Care is proud to be led by a seasoned group of healthcare professionals with a long history of success in the urgent care market. The expansion of Metro Urgent Care in Denver represents one of the largest build-outs of urgent care clinics in the country in 2017.
