

A Compelling New Book That Unlocks Biblical Mysteries

A Compelling New Book That Unlocks Biblical Mysteries.

CANTON, OH, USA, March 8, 2017 /EINPresswire.com/ -- Is the Bible a book of mythology, a statement of faith or the truth, inspired by the Word of God? Questions like these arise, as skeptics assert that the Bible is merely a collection of stories told by men, and thus, one must put forth evidence to bolster the claim.

Author [H Doyle Smith](#) says "No, There is a consistent theme, and an orderly outline to the Bible as a whole. When the scholars accumulated the stories that are included in the Bible and eliminated the Apocrypha, they did so knowingly, retaining those that taught the lessons that the scholars recognized as consistent."

"[The Bible Is a Single Book](#)" defends the faith and delves into a fascinating approach to rediscovering and uncover the truth about the Bible. It single-handedly explains and will reinforce the reader's basic knowledge as well as to enrich one's quest for the truth about the scripture.

This book will debunk these claims and H Doyle Smith hopes that the book will change the reader's perspective, set their eyes to the truth about God.

H Doyle Smith speaks from the heart in this book and explains the Bible verses, using relatable topics, themes, and outlines. "The Bible Is a Single Book" will enlighten readers and will urge everyone to read the Bible with an open mind.
