Ms. Setzke shared her enthusiasm to take on the new role at TraceGains and commented, “I chose a career as an HR professional because I deeply believe that people want to be excellent, and it is the role of HR to remove obstacles to help employees achieve excellence.” She added, “I look forward to assisting in the growth of the organization from a human capital perspective and supplying the resources that our employees need to do their jobs effectively.”

Veronica brings 12 years of experience as an HR professional working for a non-profit, a customer loyalty company, and a staffing agency. The Colorado native graduated with honors with a Masters of Professional Studies in Strategic HR Management from the University of Denver. She holds certifications in Professional Human Resources (PHR) and HR Generalist, and is a notary in the state of Colorado.

TraceGains’ cloud-based SAAS solution provides food and CPG companies with an integrated quality, supplier, compliance, and regulatory document management system that eases compliance with [FSMA](#), [GFSI](#), and HACCP. By automating, innovating, and streamlining Food Safety and Quality Assurance, TraceGains’ customers are 365 Audit Ready™ and the system typically pays for itself in only four to six months.

TraceGains is the winner of the 2016 Stratus Award for Cloud Collaboration. The company is also among the Food Logistics Top 100 software and technology providers and was named a Top 20 Information Technology Firm by ColoradoBIZ magazine.
