Market Research Analysis

The market is highly application based. The industrial sector is dominating the coating equipment market by end-user, due to increasing need for the personalized coating equipment in various end-use industries. There is continues R&D carried out so as to develop new and

advanced equipment.

Key Players

- Nordson Corporation (U.S.)
- Anest Iwata (Japan), Graco Inc. (U.S.)
- O.C. Oerlikon (Switzerland)
- IHI Ionbond AG (Switzerland)
- SATA GmbH & Co. KG. (Germany)

Regional Analysis

Asia-Pacific region has been accounted for the highest CAGR for the forecast year due to huge demand for coating equipment. Various manufacturing facilities, distribution centers, research & development are been setup by the global companies to make presence in Asia-Pacific region.

Scope of the Report

This study provides an overview of the global coating equipment market, tracking three market segments across four geographic regions. The report studies key players, providing a five-year annual trend analysis that highlights market size, volume and share for North America, Europe, Asia Pacific (APAC) and Rest of the World (ROW). The report also provides a forecast, focusing on the market opportunities for the next five years for each region. The scope of the study segments the global coating equipment market by its type, end-user and Region.

By Type

- Liquid Coating Equipment
- Powder Coating Equipment
- Specialty Coating Equipment

By End-Use

- Automotive
- Aerospace
- Industrial
- Construction

By region

- North America
- Europe
- Asia-Pacific
- ROW
