“

There is a direct connection between hiring one of the nation's top mesothelioma attorneys and the diagnosed person receiving the best possible compensation for this cancer caused by asbestos exposure”

Ohio Mesothelioma Victims Center

The Center is especially focused on making certain a person with mesothelioma in Ohio has the nation's most capable mesothelioma attorneys if they were exposed to asbestos at one of the following types of workplaces:

- * A coal fired power plant in Ohio
- * A natural gas power plant in Ohio
- * A nuclear power plant
- * An electric company providing electrical services in Ohio
- * A water/sewer district anywhere in Ohio
- * An oil refinery in Ohio
- * A US Navy Veteran

Vital hiring a lawyer tip from the Ohio Mesothelioma Victims Center for a diagnosed person with mesothelioma in Ohio: "An electrical, power, energy worker or a US Navy Veteran in Ohio deserves to

get the very best possible financial compensation for this rare cancer-but most will not because they or their family did not hire the most skilled and experienced mesothelioma attorneys. Before you hire a lawyer/law firm to work on a financial compensation claim for a person with mesothelioma in Ohio please call us at 800-714-0303 to ensure you really are talking directly to some of the nation's most qualified mesothelioma attorneys. Please don't shortchange yourself when it comes to mesothelioma compensation."

QUICK FACTS About Energy In Ohio From The US Energy Information Agency

The Utica Shale has contributed to the rapid increase in natural gas production in Ohio, which was more than 12 times greater in 2015 than 2011. Ohio had the seventh largest crude oil refining capacity in the nation in 2015. Coal fueled 59% of Ohio's net electricity generation in 2015, natural gas contributed 23%, and nuclear energy accounted for another 14%. Ohio ranked seventh in the nation in 2013 in energy consumption by the industrial sector. Output from Ohio's factories accounted for 17% of the state's gross domestic product (GDP) in 2014, and contributed 4.7% to the total U.S. manufacturing GDP in 2014.

The Ohio Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Ohio including communities such as Columbus, Cleveland, Cincinnati, Toledo, Akron, Dayton, or Youngstown.

Aside from their focus on the best possible compensation the Center is also extremely passionate about the best possible medical treatments. For the best possible mesothelioma treatment options in Ohio the Ohio Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital:

* Case Western Reserve University Cancer Research Center Cleveland, Ohio: <http://cancer.case.edu/>

* Ohio State University Comprehensive Cancer Center Columbus, Ohio: <http://cancer.osu.edu/>

* The Cleveland Clinic Taussig Cancer Institute Cleveland, Ohio:
