

# Free Tower Defense Game Guardians: Royal Journey New Version V1.0.5

*details about the new version v1.0.5 of cute tower defense game Guardians: Royal Journey*

INDIO, CALIFORNIA, USA, March 13, 2017 /EINPresswire.com/ -- At the end of the year 2016, game developer Haypi Co., Ltd released their Q-style [free-to-play tower defense game](#) --- [Guardians: Royal Journey](#). After releasing, this cute [tower defense game](#) won a lot of attentions by players who are fond of strategy skills and cute stuffs. After a long break of Chinese Spring Festival, recently they have released the new version v1.0.5. Here are some details about the new version:

## New Levels, More Challenges

In V1.0.5, there will be 135 new levels, from level 232 to level 366. Those newborn levels provide players new challenging experience.

## Sharing Rewards Available

In the new version, players who share their gaming records with friends or invite friends to play through Facebook, Twitter, iMessage, Wechat and QQ can receive nice rewards twice per day. The first-time sharing rewards will be 2 diamonds, 5 life stars and 2 Gold Boosts. The second-time sharing rewards will be 20 diamonds, 5 life stars and 1 HP Boost.

## New Theme, More Fun

Several new themes and backgrounds released in v1.0.5, making this game funnier.

## Easier to Play

Many players complained about the difficulty of passing high levels or being stuck on some certain

levels. So in order to giving players flexible gaming experience, they made some changes. The amount of stars used to unlock the new chapter has been decreased. More and more players can clear all levels after this setting.

Those are key points of v1.0.5. There're also some minor bugs have been fixed. It's said that Guardians: Royal Journey may get another update on March 24. Stay tuned.

#### About Guardians: Royal Journey

Guardians\_Royal Journey is a new MOE-style tower defense game developed by Haypi Co., Ltd which is also the developer of Haypi Kingdom, Haypi Dragon and Haypi Monster. It combines a joyful gaming experience with strategy. With its Q version cartoon style and casual way of playing, people of all ages can enjoy it. Strategies and skills are required in every level to decide which type of defense towers need to be built and where to build them while defending against each and every wave.
