

Mace® Brand Personal Alarms to be Manufactured by Vigilant

TAMPA, FLORIDA, UNITED STATES, March 16, 2017 /EINPresswire.com/ -- Vigilant Personal Protection Systems, the market share leader of personal alarm sales in the United States, is pleased to announce a multiyear license agreement to manufacture Mace® Brand personal alarms. Under the terms of the multiyear agreement, Vigilant will manufacture personal protection alarms that will bear the Mace® Brand logo that will be co-marketed by Mace® Brand and Vigilant to a variety of retailers across North America.

There are a total of four models in multiple colors currently in production, with additional items that will be added throughout 2017. The product line will consist of several key Vigilant designs including:

• The patent pending clip alarm featuring a wearable 130dB personal alarm with a proprietary design (models 80461, 80462)

Mace® Brand is the worldwide leader in pepper spray, and now Mace® Brand with Vigilant is going to become the worldwide leader in personal alarms.”

David Happe, CTO of Vigilant

• A replica of the No. 1 best selling online Vigilant alarm featuring regular AAA batteries and rip cord wrist strap activation (models 80459, 80460)

• A button activated keychain model for purses, backpacks or car key attachment (models 80457, 80458)

Personal alarms are legal to carry in all 50 states. Personal alarms are legal to bring onto airplanes in a TSA approved category for carry-on, and are also legal on all high school and college campuses.
