

Impact Steel Relocates to Clayton South site

Impact Steel upgrades to new location

MELBOURNE, VIC, AUSTRALIA, March 16, 2017 /EINPresswire.com/ -- [Impact Steel](#), one of Australia's leading distributors and processors of sheet steel and coil steel products, has moved to their new facility located at 16-24 Westall Road, Clayton South, Vic 3169.

The new location will provide significant management, logistic and distribution advantages over its previous Dandenong location as its centralises its operational and management functions on the same site.

In addition to distributing quality steel supplies, Impact Steel provide customers with expert industry advice, assisting them in developing solutions to supply and stock management issues.

Specialising in supplying to the Victorian market, they work alongside a number of Australian industries including Transport and Automotive, Manufacturing & Engineering, and Building & Construction.

Main product lines include Hot and Cold Rolled Steel, Galvanised Steel, Stainless Steel, Aluminium and Steel Plate.

Existing and future clients are encouraged to update their records accordingly:
