

Copper Strips 2017 EMEA Market Expected To Grow At CAGR of 5.22% And Forecast To 2021

Wiseguyreports.Com Added New Market Research Report On -"EMEA Copper Strips Market 2017 Manufacturers Analysis, Opportunities And Growth Forecast To 2021".

PUNE, INDIA, March 17, 2017 /
EINPresswire.com/ -- [EMEA Copper Strips Market](#)

Strong gains in building construction expenditures are expected to enhance the consumption of copper strips products in applications such as transformers, switchgears, and other electronics. Increased infrastructure investment, predominantly in developing countries of EMEA, will further benefit copper suppliers as modernizing the national power grids in these countries boost the production of cable and wire.

The analysts forecast the copper strips market in EMEA to grow at a CAGR of 5.22% during the period 2017-2021.

Covered in this report

The report covers the present scenario and the growth prospects of the copper strips market in EMEA for 2017-2021. To calculate the market size, the report considers the volume sales of copper strips for major applications, such as transformers and motors, switchgears, and semiconductor and others electronics applications in EMEA.

The market is divided into the following segments based on geography:

- Africa
- Europe
- Middle East

The Copper Strips Market in EMEA 2017-2021, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- Aurubis
- Copper and copper alloys Semifinished Products
- KME
- MKM Mansfelder Kupfer und Messing
- Wieland-Werke

Other prominent vendors

- Copalcor Group
- Elektrosan Elektro Bakır A.Ş.
- Egyptian Metal Works
- Eredi Gnutti Metalli Group
- Metal Gems (Mehta Group)

Market driver

- Growth in power and electrical equipment sector
- For a full, detailed list, view our report

Market challenge

- Competition from alternative metals and materials
- For a full, detailed list, view our report

Market trend

- Growing solar power industry
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2021 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?

- What are the strengths and weaknesses of the key vendors?

Table of Contents -Major Key Points

PART 01: Executive summary

PART 02: Scope of the report

- Market overview

PART 03: Market research methodology

- Research methodology
- Economic indicators

PART 04: Introduction

- Key market highlights

PART 05: Market landscape

- Market size and forecast
- Five forces analysis
- Purchase process criteria
- Vendor selection criteria

PART 06: Market segmentation by application

- Copper strips market in EMEA by application
- Copper strips market in EMEA for transformers and motors
- Copper strips market in EMEA for switchgears
- Copper strips market in EMEA for semiconductors and other electronics

PART 07: Geographical segmentation

- Copper strips market in EMEA by target region
- Copper strips market in Europe
- Copper strips market in the Middle East
- Copper strips market in Africa

PART 08: Market drivers

- Growth in power and electrical equipment sector
- Growing economies in EMEA
- Conductivity properties of copper

PART 09: Impact of drivers

PART 10: Market challenges

- Competition from alternative metals and materials
- Shortage of raw materials and skilled labor in Middle East
- Volatile raw material prices of copper

PART 11: Impact of drivers and challenges

PART 12: Market trends

- Growing solar power industry
- Increasing investment in smart grid network

PART 13: Vendor landscape

- Competitive scenario
- LME calculations and fixation methods
- Major market vendors
- Other prominent vendors
- Aurubis
- Copper and copper alloys Semifinished Products (Shahid Bahonar Copper Industries)
- KME
- MKM Mansfelder Kupfer und Messing GmbH
- Wieland-Werke Ag

PART 14: Appendix

- List of abbreviations
