

# ThemeLooks Launches Premium Wordpress Themes With Whmcs Templates For Hosting Company

*Hosting Business Like NEver Before With Premium Website Themes & Templates*

SOUTH OZONE PARK, NEW YORK, UNITED STATES, March 18, 2017 /EINPresswire.com/ -- ThemeLooks has announced the release of [WHMCS themes](#) and templates for businesses on WordPress. The company is known for providing out of the box solutions for website development and the new [WHMCS templates](#) and themes are ideal for businesses, particularly small businesses and startups. The new multipurpose business WordPress templates offer by the company will add to the wide range of its existing services in web development and designing.

“At ThemeLooks, we are pushing the limits of creativity with our designers and experts and I am proud to say that we have always satisfied our clients beyond their expectations.” Said Mohammad Al Omayr, the Project Manager at Theme Looks. “Alongside our basic services that cover pretty much everything a business needs, we offer tailored solutions to our clients that enhance their business productivity and online presence.” He added. Mohammad along with the rest of the team at ThemeLooks have completed a large number of projects for all types of businesses and they carry a rich experience in the industry. Alongside all of the multipurpose WordPress business themes and templates, the company also specializes in providing exclusive as well as responsive HTML5 Web Hosting and WHMCS Templates. Moreover, rich HTML5 templates, scripts and plugins alongside PHPBB forums are also covered. PSD Templates, Envato Products and exclusive PHP services are also offered in the platforms covered by the team. Furthermore, the experts at ThemeLooks are also known for their UX/UI Design for Web and Mobile along with WordPress integration or customization.
