

# Nexus Software LLC Announces New Director of Consulting Services

---

*David Saggio has joined the company as Director of Consulting Services, a new position created to develop new business offerings and grow new expert services.*

CLEVELAND, OHIO, UNITED STATES, March 20, 2017 /EINPresswire.com/ -- Nexus Software LLC (nexussoft.com) announced today that David Saggio has joined the company as Director of Consulting Services. This newly created position is geared toward leveraging the knowledge and skills within Nexus to help our clients better succeed in their business goals. Saggio's experience in sales consulting, network administration, and IT management makes him uniquely qualified to lead this new initiative within Nexus Software LLC.

"The opportunity to utilize the breadth and depth of knowledge held by our outstanding associates in a new way is extremely exciting," said Kevin Eilerman, CEO and President of Nexus Software LLC. "Having Dave and his specific skill set on board to lead the way will be the key to serving our customers in ways that will continue to add value to their daily operations and their bottom line."

Saggio will develop new business offerings and grow new expert services for Nexus Software. "Nexus is dedicated to building the services that will help our customers," Saggio comments, "I am excited about the opportunity to help Nexus' continued growth and expanding our customer services."

## About Nexus Software LLC

Nexus Software LLC is a world-leader in multi-channel device management middleware and related products and services. For more than 30 years, Nexus Software has been used by financial institutions around the world to connect any branch solution, to any device, from any vendor. Nexus Software's XFS standards-based, vendor-neutral solutions are installed in over 350,000 branch teller workstations at more than 1,200 financial institutions around the world. Nexus Software is headquartered in Kirtland, Ohio, with an additional development office in Apex, North Carolina, USA.
