

Ascent Innovations LLC expands services in Upper Midwest

Ascent Innovations LLC, Chicago based Enterprise software firm has opened operations in Minneapolis, to serve their customers better in Minnesota and Wisconsin.

MINNEAPOLIS, MINNESOTA, USA, March 20, 2017 /EINPresswire.com/ -- Ascent Innovations specializes in implementing Enterprise software for Discrete and Process Manufacturers, Logistics & Distribution companies and Retailers.

Ascent is Microsoft certified provider of Dynamics software focusing on mid-size companies.

"Microsoft Dynamics has been a very strong product line and has been in the magic quadrant for both ERP and CRM software for the last 8 years. With the latest release of [Microsoft Dynamics 365](#), it has enhanced that advantage over competition even further. We need to be close to our customers.", said Mr. Sterling, the Corporate Director.

Ascent has formally launched the Minneapolis office in January, 2017 and in the next few months is adding staff members especially Dynamics functional consultants specialized in Lean Manufacturing.

Ascent provides Microsoft Dynamics consulting, implementation and upgrades.
