FREDERICK, MARYLAND, USA, March 22, 2017 /EINPresswire.com/ -- Konare Law Expands Presence with New Office Move

To continue the growth of the company's clientele and increase efforts to empower immigrants

21 March 2017 – Konare Law, a leading immigration firm serving clients throughout the U.S. and across the globe, is moving its downtown Frederick office into a larger, more convenient office located at 5235 Westview Drive – Suite #101, Frederick, MD 21703 to accommodate its growth and clients' needs.

The move was necessitated by significant growth the company has experienced in the last few years. They have grown from a team of 5 to 20 employees in 18 months and are pleased that the new space will enable them to continue hiring exceptional talent to fill key positions and better serve the immigrant community.

Konare Law will maintain its small office in DC and only relocate the Frederick location. The firm has clients all over the U.S. and specializes in defending against deportation and removal proceedings, employment based immigrations services and obtaining legal status. Konare Law handles cases in all immigration courts in the United States

Commenting on the move, Abdoul Konare, founder of Konare Law, said:

“Our move is a step in the right direction, and it is a dream coming true for me because it reminds me how far we came, from the basement of my house to a place with over 10,000 square feet.” In this location, we have additional space giving us the opportunity to grow if necessary. The new office provides a more efficient layout, free parking, near Interstate I- 270, and it is located on a direct bus route for our staff and clients convenience.

Thereby, providing a stronger U.S. presence and a more flexible and accessible venue for clients, seminars, and events.

According to Mr. Konare, the legal firm remains true to their original mission of providing excellence in their legal work and customer service. “Excellence If Not Perfection is the commitment we have made to ourselves in solving our clients' immigration matters; it is also the foundation of our culture and everything we stand for. This was our goal yesterday, and it remains true today.”

Konare's new address is 5235 Westview Drive – Suite #101, Frederick, MD 21703. The company's main phone number will remain the same – 240.651.5937 – as will all email addresses.
