

Jeremy Elsesser named President of Level 3 Audiovisual

MESA, ARIZONA, UNITED STATES, March 22, 2017 /EINPresswire.com/ -- Level 3 Audiovisual is pleased to announce the promotion of Jeremy Elsesser to President. Jeremy has been with Level 3 AV since 2003 and brings with him a wealth of technical expertise as well as a talent for developing system processes and organizational efficiency.

As President, Jeremy will be responsible for the oversight of day to day operations, continued development of our quality management systems, employee training, education and certification as well as business leadership and strategic envisioning.

Over the years Jeremy has overseen all of Level 3 AV's most challenging technical projects, has deployed AV9000 across engineering, service and operations, initiated and managed the implementation of a company wide ERP system as well as a training and certification program for employee career development.

Jeremy Elsesser, President of Level 3 Audiovisual

Jeremy's combination of leadership and technical expertise will help Level 3 continue to evolve into the next generation of technology solution providers.
