

RON JOURARD, TORONTO CRIMINAL LAWYER ANNOUNCES LEGAL PRACTICE EXPANDS In ONTARIO

Mr. Jourard announces that criminal legal services have expanded to more of Ontario to Newmarket, Brampton, Hamilton, Kitchener, Barrie and Peterborough.

TORONTO, ONTARIO, CANADA, March 22, 2017 /EINPresswire.com/ -- Ron Jourard is a Toronto criminal lawyer with 25 years' experience and practices law in Toronto, Ontario and the surrounding GTA. He is pleased to announce that legal services have recently been expanded to cover more of Ontario – including the cities of Newmarket, Brampton, Hamilton, Kitchener, Barrie and Peterborough.

Mr. Jourard noted, "In the past few years we have seen more demands for legal services specializing in criminal law in areas outside of Toronto and we are now able to provide expanded legal services to meet these needs."

Mr. Jourard conducts trials and appeals and specializes in the defense of serious driving offences. These crimes include driving while disqualified, dangerous driving and DUI, that is, driving with excess alcohol, impaired driving (alcohol or drugs) and refusing to provide a breath sample. He also defends assault, domestic assault, mischief, and drug possession and drug trafficking charges. As well he fights serious provincial driving charges such as careless driving, stunt driving, driving under suspension and driving without insurance.

Legal Approach of Mr. Jourard – Leading Defence Attorney

Mr. Jourard states, "Criminal defence work is more than a job. In representing my clients, I recognize that a criminal lawyer is often the last line of defence against the mindless juggernaut of the state and abuse of government authority."

Legal Knowledge

"The law is constantly evolving. While knowing the seminal cases is essential, it's not enough. New decisions are released weekly on the scope of constitutional rights and on the legal intricacies of impaired driving and other offences. To stay cutting edge I keep abreast of these rulings."

Experience

"I have been practicing criminal law, and nothing else, for 20 plus years. Knowing how to achieve the best possible result comes with experience. I know when to negotiate, when to fight, and how to do both effectively", Mr. Jourard states.

Painstaking Attention to Detail

"In defending a criminal charge, the devil is often in the details. Your acquittal could come from an entry buried in a police officer's notes. Or in a drinking driving case, it could come from an obscure line of data in an electronic printout from the breath-testing device. I dig for the details and leave no stone unturned," says Ron Jourard.

Preparation

Mr. Jourard shares his view that “In a showdown with the prosecutor, the victory often goes to the adversary that’s best prepared. I invest the necessary time, effort and resources.”
