

BR Williams Mobile, AL Distribution Center Port Services Expanded

OXFORD, AL, UNITED STATES, March 27, 2017 /EINPresswire.com/ -- BR Williams, a full-service supply chain management company, is expanding services within its Mobile, AL distribution center to ensure clients utilizing the Port for intermodal, drayage and supply chain services have sufficient options.

Headquartered in Oxford, AL and with four distribution centers throughout Alabama (Mobile, Piedmont, Anniston, Eastaboga) and one more in Tallahassee, FL, BR Williams is a full-service supply-chain company committed to investing in local business and economy.

BR William offers distribution services in the US & Canada, with distribution facilities conveniently located in the Southeast, top-of-the line logistics and warehouse management systems, and intermodal, local drayage services and warehousing in Mobile, AL.

Services unique to the Mobile, AL location specifically include: container drayage, cross-docking, distribution, LCL consolidation, knitting/packaging, container stripping/stuffing, truck load freight services and break bulk.

The Mobile, AL warehouse and distribution facility is strategically located in Mobile County. The location provides easy access to I-65, I-10, I-165 and Highway 43 allowing for the highest standard of service for the Mobile Port and across the Southeast Region of the United States.

BR Williams actively participates and supports local business through strategic partnerships and involvement in local chambers and civic events. Additionally, BR Williams offers free resources to businesses via their website. The supply chain company recently published two articles for business leaders considering outsourcing distribution services or using the Mobile Port for products originating overseas:

1. [Full Service Supply Chain Management Companies – Need One?](#)
2. [Intermodal Services – Intermodal Drayage and Cross Docking](#)

In April, BR Williams will release an eBook written for businesses looking to better manage their intermodal and drayage costs. [Receive a free copy of the new eBook](#) prior to the official release.

About BR Williams: With humble beginnings back in 1958, BR Williams has grown into an award-winning supply chain management company servicing all 48 contiguous states and Canada. With facilities in Mobile, Anniston (2), Oxford, Piedmont, Eastaboga and Tallahassee, FL. BR Williams supports over 2550 customers across the Distribution, Logistics and Transportation divisions. Industries served: automotive, defense, home improvement, education, food raw materials, textiles,

chemical, industrial packaging, metals (finished goods), highway safety and more.

To discuss your Distribution, Logistics or Transportation Services options, please contact Matt Nelson at matt.nelson@brwilliams.com or (800)-523-7963.
