

Power Transmission Cables Market is Expected to Grow at a CAGR of 6% by 2022

Global Power Transmission cables Information Report by Installation, by Voltage, by Users and by Region - Forecast to 2022

PUNE, MAHARASHTRA , INDIA , March 23, 2017 /EINPresswire.com/ -- Market Research Future published a half-cooked research report on Global [Power Transmission Cables market](#). The global market Power Transmission Cables services are expected to grow at a CAGR of about 6% during the forecast period, 2016 to 2022.

Key Players: General Cable Technologies Corp., Southwire Co. LLC, Zhejiang Shengda Steel Tower Co. Ltd.”

Market Research Future

Taste the market data and market information presented through more than 85 market data tables and figures spread in more than hundred pages of the project report.

Avail the in-depth table of content TOC & market synopsis on “Global Power Transmission Cables Market Research Report - Forecast to 2022”

Market Highlights:

Power Transmission Cables are the fundamental part of Power transmission infrastructure. Rising inclusion of renewable power resources, high quality and uninterrupted electricity, upgradation of aging grid infrastructure result in the growth of the power transmission cables market. Rapid urbanization and industrialization are the major factors in the Global Power Transmission Cables Market.

Asia Pacific held the largest share within the Power Transmission cables market, and is expected to retain its majority by 2022. This region is expected to be fastest growing market for power transmission cables. China and India are the main drivers for the growth in Asia Pacific region. North America was the second largest market for power transmission cables in 2014. High investments in power transmission infrastructure by Saudi Arabia and others countries are expected to drive the market in the Middle East. Middle East is expected to be second fastest growing market for transmission cables.

Market Segmentation:

Installation:

- Overhead
- Underground
- Submarine

Voltage:

- High
- Medium

Users:

- Utility
- Industrial

Region:

- Asia-Pacific
- North America
- Europe
- Middle East and Africa
- Latin and Central America

Key Players of Power Transmission Cables Market:

- General Cable Technologies Corp.
- Southwire Co. LLC
- Zhejiang Shengda Steel Tower Co. Ltd.
- KEC International Ltd.
- Kalpataru Power Transmission Ltd.
- Nexans S.A.
- Prysmian S.p.A.
- Shandong DingChang Tower Co. Ltd.
- Nanjing Daji Iron Tower Manufacturing Co. Ltd.
- Sumitomo Electric Industries Ltd.

Scope of the Report:

This study provides an overview of the global Power Transmission Cables industry, tracking market segments across the categorized five geographic regions. The report provides a six-year forecast for the market size in terms of value for North America, Europe, Asia-Pacific, Middle East & Africa, and Latin and Central America. The scope of the study segments the global Power Transmission Cables market based on services into Installation, voltage, and Users.

Brief TOC for Power Transmission Cables:

1. Report Prologue

- 2. Introduction
 - 2.1. Definition
 - 2.2. Scope of the Study
 - 2.2.1. Research Objective
 - 2.2.2. Assumptions
 - 2.2.3. Limitations
 - 2.3. Market Structure
 - 2.4. Market Segmentation
- 3. Research Methodology
 - 3.1. Research Process
 - 3.2. Primary Research
 - 3.3. Secondary Research
 - 3.4. Market Size Estimation
 - 3.5. Forecast Model
- 4. Market Dynamics
 - 4.1. Drivers & Opportunities
 - 4.2. Challenges & Restraints
 - 4.3. Value Chain Analysis
 - 4.4. Porter's Five Forces Analysis
- 5. Power Transmission Cables Market, By Installation
 - 5.1. Introduction
 - 5.2. Overhead
 - 5.3. Underground
 - 5.4. Submarine

Target Audience:

- Power Transmission cables service providers
- Industry Associations and Publications
- Investment bankers and M&A Consultants

About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.
