Song: Nigeria starts with me

Lyrics;

Uh.. Yea Yea

Alright Alright X 3

Oh na..

One vision yeah, one mission

That's all in you and me

Every day is a step to greatness

Now that's all I can see

Diverse but yet together

Dream turn reality

Oh.. It's beautiful

I don't know the day I will not be here

But I know this place is my home

I cannot forget all the lessons learnt

Chinonso Izuka

Cause it made me who I am

And I'll keep on going

We keep on growing

We keep on moving

Till infinity

But just today I just want to yell out!

Nigeria!

My beloved Country

Nigeria!

Yea it starts with me

Nigeria!

Through the rain and through the nights

We will rise victorious oh na..

Nigeria!

Let's stand with strength and purpose

Nigeria!

It starts with me and you

Nigeria!

Through the rain and through the nights

We will rise victorious oh na..

I just want to share this melody in my heart oh oh

I just want to share this love in my heart oh na..

Alright Alright (Till fade)
