TORONTO, ON, CANADA, March 28, 2017

/EINPresswire.com/ -- [Talent INC Canada](#) owners [John Stevens](#) and Doug Sloan pride themselves on attracting the most relevant and celebrated actors to attend their annual event. This past year was no exception with David Naughton at the helm as one of their keynote speakers.

"David is extremely generous and loves actors. We are very grateful that he took the time out of his hectic film schedule to be with us", said Doug Sloan co-founder of Talent INC Canada in [Toronto](#), Canada.

David spoke to the actors in attendance about perseverance, rejection and professionalism. Who better to make these points than a celebrated actor who has had such a vibrant career.

When asked by actor Kurt Logan if Mr. Naughton had any advice for the actors from Talent INC Canada he smiled slyly and said, "Yes! Go see my films!"

All joking aside, David told the students to, "Keep your enthusiasm. That is what has been infectious here for me to watch".

“

There's a lot of talent here!"

David has several projects he is working on at the moment. He will be playing himself in the upcoming TV movie "Sharknado 5", and he also just finished working on "The Hatred" and "Do It or Die".

When asked if he had any advice for anyone thinking about attending Talent INC Canada he had this to say, "There's a lot of talent here! People who are doing really wonderful stuff and who are committed to being actors. So come with an open mind and a lot of energy and you will have a great time".

"I really appreciate how David didn't sugar-coat the industry and talked about rejection and dedication. I left his workshop with a better sense of self-determination", claimed actress Dawn Cooper, who was inspired by David's presentation.
