

# IT Governance exhibiting at ISO27001 Ireland in Dublin

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, March 30, 2017 /EINPresswire.com/ -- IT Governance, the leading provider of ISO 270001 expertise and information security solutions, will be exhibiting at ISO27001 Ireland on 26 April 2017.

The ISO27001 Ireland event brings together industry professionals, and encourages networking and open discussion between keynote speakers and companies that are either on the journey towards or considering implementing ISO 27001. The event is aimed at information security professionals responsible for implementing ISO 27001.

At the event, IT Governance's director Steve Watkins will present a Hive meeting/workshop on "[EU GDPR – How your ISO 27001-aligned ISMS can help \(and how to update your ISMS in light of EU GDPR to keep your auditors happy!\)](#)".

The workshop covers an overview of the General Data Protection Regulation (GDPR) compliance requirements and how an ISO 27001-aligned information security management system (ISMS) can support GDPR compliance. It will also emphasise why the GDPR matters to ISMS auditors. The session will take place on Wednesday, 26 April 2017 from 11:15 – 12:30pm (GMT).
