

Planned LNG Industry & Planned Refining Market 2017-2021 Outlook with Capacity and Capital Expenditure Forecasts

Latest reports on “Global Planned LNG Industry Outlook to 2021” & “Global Planned Refining Industry Outlook to 2021” available with OrbisResearch.com.

DALLAS, TEXAS, UNITED STATES, March 31, 2017 /EINPresswire.com/ -- "Global [Planned LNG Industry](#) Outlook to 2021 - Capacity and Capital Expenditure Forecasts with Details of All Planned Terminals" is a comprehensive report on the global planned LNG industry. The report provides asset details of all planned LNG liquefaction and regasification terminals in the world by region and country. Information by terminal includes terminal name, operator name and design LNG processing capacity (liquefaction / regasification) for the period 2017-2021. The report provides global and regional LNG liquefaction and regasification capital expenditure outlook by key countries, year on year, from 2017 to 2021. The report also provides comparison of key countries based on contribution to global as well as regional planned LNG liquefaction and regasification capacities. Further the report also offers recent developments and latest awarded contracts at regional level.

Scope

- Updated information relating to all planned LNG terminals
- Provides data from 2017 to 2021
- Capacity information of all liquefaction and regasification terminals
- Provides operator information for all planned terminals
- Latest developments and contracts related to LNG terminals across different regions globally.

Reasons to buy

- Obtain the most up to date information available on all planned liquefaction and regasification terminals globally
- Identify growth segments and opportunities in the industry
- Facilitate decision making on the basis of strong forecast capacity data
- Assess your competitor's LNG assets

1. Table of Contents
2. Introduction 18
3. Global Planned LNG Industry 19
4. Africa Planned LNG Industry 45
5. Asia Planned LNG Industry 87
6. Caribbean Planned LNG Industry 139
7. Europe Planned LNG Industry 149
8. Former Soviet Union Planned LNG Industry 187
9. Middle East Planned LNG Industry 228
10. North America Planned LNG Industry 259

11. Oceania Planned LNG Industry 299
12. South America Planned LNG Industry 337
13. Appendix 359

"Global [Planned Refining Industry](#) Outlook to 2021 - Capacity and Capital Expenditure Forecasts with Details of All Planned Refineries" is a comprehensive report on global planned crude oil refining industry. The report provides refinery details such as the refinery name and refinery operator name, with in-depth coverage on crude distillation unit or, CDU capacity and other major unit capacities for all new build (announced, planned and stalled) refineries. The report also provides global and regional refinery capital expenditure outlook by key countries, year on year, till 2021. The report also provides comparison of key countries based on contribution to global as well as regional refining capacities. Further the report also offers recent developments and latest contracts awarded in the refining industry across different regions.

Scope

- Updated information relating to all planned refineries
- Provides data from 2017 to 2021
- Information on refining, FCC, hydrocracking and coking capacities by refinery and country
- Provides operator information for all planned refineries
- Latest developments and contracts related to refineries across different regions globally.

Request a sample of this report at <http://www.orbisresearch.com/contacts/request-sample/240156> .

Reasons to buy

- Obtain the most up to date information available on all planned refineries globally
- Identify growth segments and opportunities in the industry
- Facilitate decision making on the basis of strong forecast refinery and unit capacity data
- Assess your competitor's refining portfolio and its evolution.

About Us:

Orbis Research (orbisresearch.com) is a single point aid for all your market research requirements. We have vast database of reports from the leading publishers and authors across the globe. We specialize in delivering customized reports as per the requirements of our clients. We have complete information about our publishers and hence are sure about the accuracy of the industries and verticals of their specialization. This helps our clients to map their needs and we produce the perfect required market research study for our clients.
