Huemor's own website wins Best in Category in Self Promotion/Portfolio, Gold in Corporate & B2B and Gold in Responsive/Mobile Design, while Rug & Home wins Gold for E-commerce/Shopping.

“

Our team works really hard, and genuinely cares about what they're working on.

These accolades are a testament to that hard work”

*Jeff Gapinski*

Each website is judged on its combination of a clean design and friendly user-experience, its creativity and the execution of ideas, its use of technically modern solutions, the message being communicated, and its overall effectiveness.

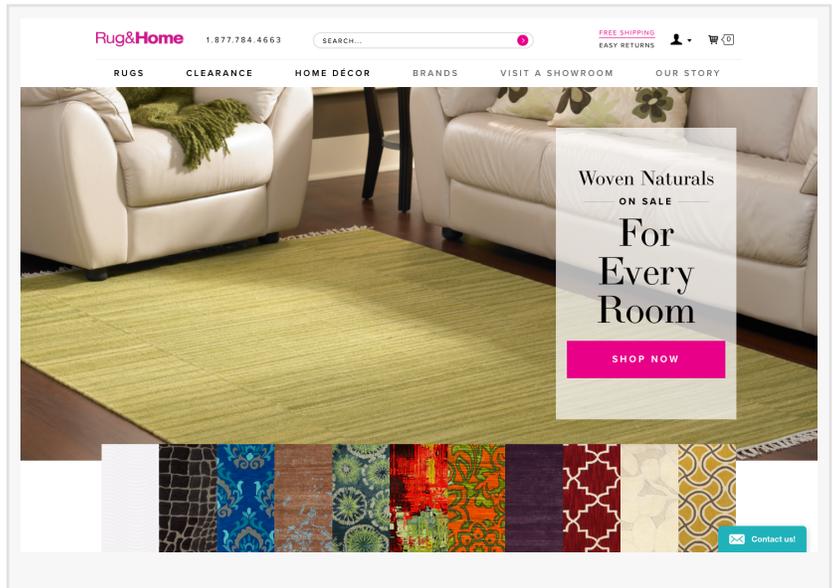

“Our team works really hard, and genuinely cares about what they're working on. These accolades are a testament to that hard work,” expresses Jeff Gapinski, Co-Founder and CCO of

Huemor.

The project teams see every win as an encouragement to set the bar even higher for projects to come. The case study for Rug & Home can be seen at <https://huemor.rocks/work/rug-home/>.

In its fifth year of business, Huemor continues to grow as an award-winning agency whose work sells, persuades, and inspires.
