

# Spring 2017 EGM Connect 3D Virtual Tradeshow Goes Live Tomorrow April 6-8 2017

Starting tomorrow the Spring 2017 EGM Connect 3D Virtual Tradeshow goes 'live' from April 6 to 8 to actively showcase the latest products & tech to go off-grid.

KANSAS CITY, MISSOURI, UNITED STATES OF AMERICA, April 5, 2017 /EINPresswire.com/ -- Staying true to the [EGMC3D](#) tradeshow theme of "Going Off the Grid" the 3D virtual exhibition booths showcase the latest products and technologies available to help reduce or eliminate utility expenses. Fossil fuels are finite resources that cannot last forever so conserving them while saving money at the same time makes great economic sense.

The new off-grid pavilion of the EGM Connect 3D Virtual Tradeshow doubles the amount of floor space and number of booths available to visit. Here is a sample of some of the new exhibitors in this spring show: Build SMART passive house prefab wall panels, Air King revolutionary ventilation products and GEM - Green Energy Money innovative financing for advanced building projects.

Attending the tradeshow is complimentary and no download or app is required to have a personalized avatar walk around

the tradeshow floor. Just use the following link to register and attend for no charge:
