

IT Governance exhibiting at Cambridge Network Job Fair 2017

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, April 13, 2017 /EINPresswire.com/ -- IT Governance, the global provider of information security and cyber resilience expertise is delighted to be exhibiting at the [Cambridge Network Job Fair 2017](#) on 5 May.

Cambridge Network will be hosting its summer job fair at Hauser Forum in Cambridge from 12:00 – 16:00 BST. The event is a gateway for job seekers to meet face to face with local employers and learn about the career opportunities available.

As an exhibitor at the event, IT Governance will be looking to speak with potential candidates about vacancies in sales and customer services, marketing, consultancy, IT and technical services.

Alan Calder, IT Governance's founder and executive chairman, said: "IT Governance is currently experiencing a rapid and exciting new phase of development. As a result of our continued market growth, we're offering a range of outstanding opportunities for self-motivated and capable individuals."

IT Governance encourages a culture of continual improvement and offers employees exceptional career development opportunities. Those wishing to find out more about IT Governance's career opportunities prior to the event can visit the [careers site](#).

Individuals attending the Cambridge Network Job Fair are encouraged to visit IT Governance's exhibition stand and speak to Stuart Thorburn and Millie Muncey about the job opportunities available, recruitment process and benefits of working at IT Governance.

For more information about the Cambridge Network Job Fair 2017, please visit the event page. Professionals interested in job opportunities at IT Governance can visit the [website](#) or contact recruitment@itgovernance.co.uk.
