

# IBS Intelligence announces leaders of the IBS Sales League Table 2017

*IBS Intelligence launches the IBS SLT leadership club, including system-suppliers who have been ranked in the top 2 positions across each category.*

LONDON, UNITED KINGDOM, April 12, 2017 /EINPresswire.com/ -- [IBS Intelligence](http://IBSIntelligence.com), the definitive source for independent news, research and analysis of financial technology markets, today announced its iconic Annual Sales League Table. The Sales League Table provides an objective ranking of global sales by suppliers across 5 conventional core banking and back office categories including universal, retail, corporate, lending and private banking systems, and 4 new focus areas including CRM, digital banking, payments and risk management systems.

The [IBS Sales League table 2017](#) includes 361 deals across the conventional categories, a 35% increase to the deals reported in the previous year. A total of 186 deals were also reported in the new focus area categories. Over 63 global solutions have been ranked in the league table this year, with active global participation across the geographies of Americas, Europe, Middle East Africa and APAC. The IBS Sales League Table also includes domestic sales performance in 3 specific geographies of US, India and Russia.

IBS Intelligence announced the launch of the IBS SLT leadership club, including system-suppliers who have been ranked in the top 2 positions across each category. IBS is pleased to announce the leaders of IBS Sales League Table 2017 as below:
