

# Guardian Mortgage Goes Green and Secure for the Community

*Home Mortgage Leader Sponsoring 4th Annual FREE Shredding Event*

DALLAS, TX, UNITED STATES, April 12, 2017 /EINPresswire.com/ -- On Saturday, April 29, 2017, [Guardian Mortgage](#) is serving the Dallas/Fort Worth community by hosting its 4th Annual [Free Shredding Day](#). The event is being held from 9:00 am until 12:00 pm in the parking lot of the company's Plano office located at 2701 N. Dallas Parkway.

Local community residents, businesses, and clients of Guardian are invited to bring up to 10 boxes of personal documents that are confidential in nature to be shredded safely and securely by Secure On-Site Shredding, Inc. at no charge. "We appreciate the excellent business relationship with Guardian Mortgage over the years," stated Kathryn Shrum, CEO of Secure On-Site Shredding. "Their proactive approach to help the community by providing this service is commendable as well as reducing the impact of waste through recycling."

As a fraud prevention measure, the Federal Trade Commission recommends that consumers shred receipts, credit offers, credit applications, insurance forms, physician statements, checks, bank statements, expired charge cards, and other documents with non-public information. In addition, all shredded documents will be recycled by Secure On-Site Shredding to reduce the impact these documents would have on the environment by reducing waste.

"Guardian takes our clients' confidentiality seriously," commented Russ Anderson, President, and CEO of Guardian Mortgage. "We are pleased to offer our customers and neighbors in surrounding communities the opportunity to destroy documents that contain non-public information to assist in keeping them safe from fraud—at no cost to the attendees."

Guardian's Core Values include a commitment to acting as a good corporate citizen by earning the reputation of being a productive member of the local economy in each of their branches and by taking the initiative to be an active participant in community-based activities.

All residents of the Dallas/Fort Worth Metroplex are invited to attend this community outreach event.
