

Drunk-Wasted: Wasted Masters Gets a Bunch of Fixes on Steam-release

Rusto has just released a patch for Drunk-Fu: Wasted Masters improving the controlling of the characters and fixing a number of issues on the netcode.

KAJAANI, FINLAND, April 13, 2017 /EINPresswire.com/ -- Drunk-Fu: Wasted Masters is all about high speed aerial drunken kung-fu! Flail your intoxicated ragdoll around in a wrecked rampage both online & offline. Howl in a drunken fury as you beat up your friends or AI controlled bullies in different arenas across the globe.

Master physics defying drunk-fu techniques by controlling your stumbling direction and unleashing powerful attacks with each individual limb. Team up with your friends to beat hordes of AI controlled bullies in the Swarm-mode or challenge each other in the Free for All or Last Man Standing modes to see who is the true Wasted Master.

Store page with a trailer & detailed patch notes:
