PALM BEACH, FLORIDA, UNITED STATES, April 17, 2017 /EINPresswire.com/ -- The first quarter of 2017 has been a record breaker for America's Leading New Product Launch Company, BigCatBrandz. Starting this year with 42 products in its portfolio, BCB has already added twice that the first quarter of this year. "It's been an amazing 3 months, so many great people with so many great products. We have been expanding our staff weekly and anticipate that to go on all year" stated Dave Branch, BCB's visionary. The company focuses on emerging brands that are already selling briskly in the market and wish to expand into Big Box Retail. Their present client base of over 150 brands covers every channel including Apparel, Tech, Drug, and Sporting Goods. With the huge surge of products being financed on Kickstarter and Indie Go Go, BCB was a waiting partner to take these new products to the next level and WOW, how they are doing just that in a huge way!

Besides product placement in mass retail, BCB also offers full e-commerce solutions, web design, graphic arts, social media management, content writing and brand management for its customers. "We are the only one stop shop for emerging products in the country and we know our business. When brands partner with us it's a magic show, fun, fast and hopefully financially amazing" said Branch. The company has secured many new placements for their clients in major retailers this quarter including Walmart, CVS, and Bed Bath and Beyond.
