Toronto, Canada – April 24, 2017 – Over EZ, the brainchild product of EZ Lifestyle, a company dedicated to providing healthy nutritional supplements using the most advanced herbal formulas to enhance a social lifestyle, has published a guide “101 (Drinking) Quotes You’re Sure to Enjoy” on its website, www.Over-EZ.com.

The famous, funny and certainly interesting quotes found on Over EZ’s list include quirky examples such as “I feel bad for people who don’t drink – when they wake up in the morning, that’s as good as they’re going to feel all day.” (Frank Sinatra), “A drunk man’s words are a sober man’s thoughts.” (Steve Fergosi), “Beer is proof that God loves us and wants us to be happy.” (Benjamin Franklin), “I’m on a whiskey diet – I’ve lost three days already.” (Tommy Copper) and “Alcohol is a way of life, alcohol is my way of life – and I aim to keep it.” (Homer Simpson).

As a force in the entertainment and nightclub industry for over 20 years, co-founder and member of the EZ Lifestyle team Zark Fatah knows a thing or two about working hard and playing hard, standing behind the all-natural [Over EZ Hangover Helpers](#) as the ultimate “end of all alcoholic hangovers solution” and beginning of leading a “healthy social lifestyle.”

With regards to the “101 (Drinking) Quotes” article, he says, “Sometimes, simply nothing says it better than a quote; and for our customers’ entertainment purposes, we have compiled a list of hilarious, memorable and even insightful alcohol-related quotes sure to be a hit at any social event. Readers will notice quotes from some of the most inspiring and influential people throughout history – all folks who enjoyed a good drink.

“We encourage our readership to accompany these quotes with a drink in-hand and enjoy, just as those who once spoke them have.”

Over EZ is the only all-natural supplement equipped with the unique and exclusive Two Pellets Phase technology, which includes time-release pellets to protect the liver from the alcohol damage and helping the body to recover faster. Understanding that there are few things worse than feeling the effects of a hangover and its ruination of the following day, Over EZ technicians loaded the product with essential ingredients that help flush out the acetaldehyde toxin from the body faster, resulting in a better morning.

The process begins when partygoers take Over EZ with their first drink or during alcohol consumption. Almost instantaneously, the body’s reaction to Acetaldehyde is neutralized by stimulating the production of ADH and ALDH enzymes in the liver. This leads to waking up in the morning without the effects of the hangover, with many Over EZ users saying it made them feel like “conquering the world...or at least breakfast.”
