DALLAS, TX, UNITED STATES, April 25, 2017 /EINPresswire.com/ -- The 1Heart Corporate Group continues to grow as [1Heart Caregiver Services](#) will soon be serving the senior community in Dallas Texas. On April 20, 2017, Kristi and Darin Kite became the company's newest addition to its increasing list of Franchisees.

Kristi Kite found out about 1Heart when she was looking for an agency to help her care for her mom who has Alzheimer's. She saw a team of dedicated, passionate and persistent individuals that are committed to fulfilling their client's needs. At that time Kristi and Darin were planning on having their own business and this inspired them to choose home care with 1Heart as a franchisee.
