

# TemplateMonster has created a list of recommended and certified web studios / website development companies.

*Auxilium Technology joins TemplateMonster Elite Certified Web Studios Catalog.*

FT. LAUDERDALE, FLORIDA, USA, April 25, 2017 /EINPresswire.com/ -- One of the largest premium website template companies decided to help their customers with web solutions.

[TemplateMonster](#) has created a list of recommended and certified web studios / website development companies. TemplateMonster was the first company to launch ready-made website templates, and is still number one in the industry. Considering TemplateMonster's high-quality products and great pricing, they are a one-stop-shop for all of your website template needs.

TemplateMonster knows which web developers and web studios are worth to be recommended. They created a project named [Web Studios Catalog](#) where any customers from all over the world can find a needed professional, conveniently by their location. Any visitor can check a web studio's personal profile, services prices and required CMS platforms.

However, it is very difficult to join our Web Studio Catalog. A web studio / web development company must have both credible experience and successful web projects in order to become a part of our corporation. Moreover, we absolutely take into account, and value, client feedback of the web studios / web developers that they have worked with. After an extensive search, we chose [Auxilium Technology](#), Inc. to join our Elite Web Studios Catalog. Auxilium Technology creates award-winning websites and the company is strongly committed to customer service and client satisfaction. The company's high standards and dedication is impressive to us. In addition, "[Auxilium Technology] passed our certification test, which most companies don't even come close to," said Tommy Stone, Affiliate Manager at TemplateMonster.

We had the privilege of speaking with Auxilium Technology's, Ed Samuels, during the beginning of the

The screenshot displays the TemplateMonster website interface. At the top, there is a navigation bar with the TemplateMonster logo, a language selector (US), and utility icons for Help, Account, and Cart. Below the navigation bar, there are tabs for different template categories: CMS TEMPLATES, WEB TEMPLATES, E-COMMERCE TEMPLATES, CATEGORIES, and PLUGINS & ASSETS. A secondary navigation bar lists various CMS platforms: WordPress Themes, Website Templates, Joomla Templates, PrestaShop Themes, Magento Themes, WooCommerce Themes, and Moto CMS Templates. The main content area features a large banner with the text "26,640 Premium Templates for Websites That Perfectly Fit Your Business" and a search bar with the placeholder "Enter keywords" and a "Find Your Dream Template" button. Below the banner, there are icons representing different business categories: Business & Services, Design & Photography, Fashion & Beauty, Sports, Outdoors & Travel, and 13+ More. The bottom section of the screenshot is titled "TemplateMonster Web Studios Catalogue" and is divided into two columns. The left column is for customers looking for a web studio, with steps: "Pick the Theme", "Find Web Studio/Freelancer", and "Get in Contact", leading to a "Pick the Web Studio" button. The right column is for web studios/freelancers looking for customers, with steps: "Add Your Web Studio", "Pass Quick Certification", and "Get Leads", leading to an "Add a web studio" button.

conversation. We enjoyed talking to Samuels about the success of Auxilium Technology and the barriers that the company has overcome, being a small business in the local DMV area. Samuels is "very proud to join TemplateMonster's Certified and Recommended Web Studios Catalog." He adds that "TemplateMonster is the best website template provider, and we are looking forward to a long relationship with them and their customers." Auxilium Technology offers Digital Marketing / Internet Marketing, web development, W3C validated code, advance SEO, Social Media and Security, thereby ensuring that our clients websites receive maximum exposure and professional attention," said Ed Samuels, Chief Technology Officer at Auxilium Technology.
