REDWOOD CITY, CA, UNITED STATES, April 25, 2017 /EINPresswire.com/ -- Tom Biscardi the "Godfather" of Bigfoot is making headlines across the country. Forced to come out of retirement because of the response to the \$1,000,000 Bigfoot Bounty offered by Bigfoot Project Investments, Inc (BGFT). He has traversed the country to investigate with the Searching for Bigfoot expedition team.

The team has been inundated with responses to the Bounty campaign and has been analyzing each piece of evidence for content, location, timing and other factors. The most compelling responses have been from the eastern states. The amount of evidence that has been presented as well as corroborated stories from the locals regarding the same types of sightings within similar timelines has been key to tracking the creatures current migratory path.

The expedition team has traveled from California to Ohio, North Carolina and New York following leads from eye witness reports supported by video, pictorial, audio and physical evidence. Once at the locations the investigation continues with interviewing the news media and locals to verify recent activity. Each step must be taken in the process of authenticating the evidence presented.

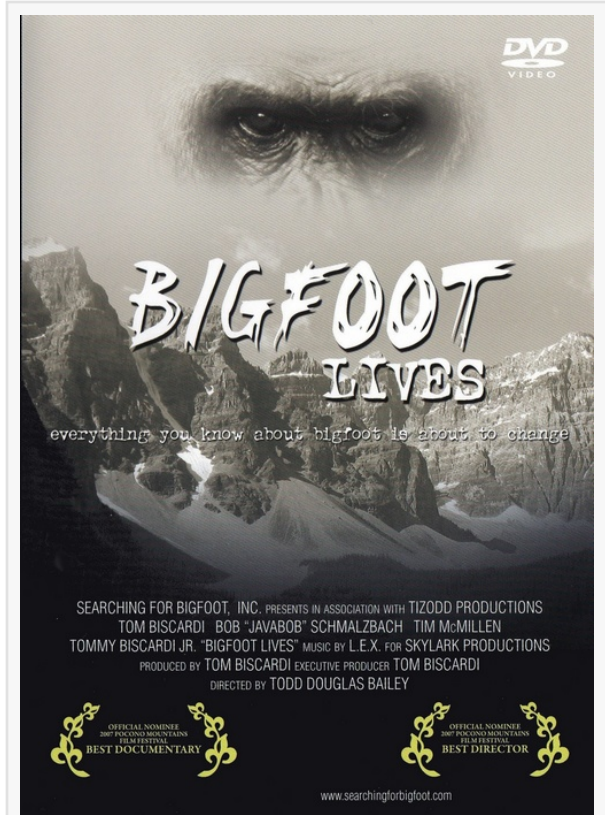

The Godfather himself and his Bigfoot expedition team are available for television, radio and print interviews in Manhattan the 26th, 27th and 28th of April. The Godfather and his "A" team will be available to field all questions related to Bigfoot and the million dollar Bigfoot bounty. Call the Godfather of Bigfoot himself (415) 518-8494 to schedule an interview while he and the team are in Manhattan.

Bigfoot Project Investments Inc. BGFT will be featured on the Fox Business Channel - New to the Street segment at 1 pm Sunday, April 30th.
