Olympic Medalist Will Claye premieres his hip hop album at a private listening event hosted by Red Bull

LOS ANGELES, CA, USA, April 25, 2017 /EINPresswire.com/ -- Olympic Champion and hip hop artist Will Claye has released his highly anticipated new album, "[Look What You Created](#)." Since his collaboration with YG on his single "IDGAF," fans have been waiting to hear more from Will Claye the artist. The collection is available at streaming partners today. The superstar gave fans a first listen to the album by partnering with Red Bull and Hip Hop DX for an exclusive listening event.

With "Look What You Created," Will Claye has crafted an intimate album with a musical blend of hip hop, R&B, pop, and soul. The album is personal and honest, with songs like the single, "Vibrations" which expresses the world-star athlete's admiration for his fiancée Queen Harrison. What's more, the track sees a contribution from Taylor Bennett (see attached tracklisting).

"It just kind of comes natural to me," Claye admits to #DXLive. "I feel like I've always made dope music," he explained. "I have so many tracks that I have just never put out. I put this whole project together in two months — during my offseason, right when I came back from the Olympics."

Claye celebrated the release of "LOOK WHAT YOU CREATED" with an exclusive Album Listening Event, which was hosted by Red Bull at their headquarters in Santa Monica. Red Bull premiered a video of star Jade Chynoweth, dancing to Will's single "Delilah", and fans we're treated to a live interview hosted by Hip Hop DX and the #DXLive team.
