

# Peroxyacetic Acid Market shows an impressive growth rate of about 7.11% of CAGR by 2027

*Peroxyacetic Acid Market Information, By Types (Disinfectant, Sanitizer and Sterilant), By Application (Food, Healthcare, Water Treatment)- Forecast To 2027*

PUNE, MAHARASHTRA, INDIA, April 25, 2017 /EINPresswire.com/ -- Market Dynamics

The global [peroxyacetic acid market](#) is a very dynamic market and is expected to witness a high growth in coming five years. The demand of peroxyacetic acid is poised to be driven by growing food demand, rising population and rising preference for clean water. Furthermore, increasing demand for packaged food has also propelled the demand of peroxyacetic acid. Moreover, citing the demand and potentials of peroxyacetic acid, the governments of various countries are also providing funds and grants for developing new and advanced technology for peroxyacetic acid. However, fluctuating raw material prices and lack of product knowledge are some factors which can hinder the growth of the market up to some extent.

Globally the market for peroxyacetic acid market is expected to grow at the rate of about 7.11% from 2016 to 2027.

Key Players: Solvay Chemicals, Evonik Industries, Ecolab, Aditya Birla Chemicals, Promox S.P.A, Christeysn, Enviro Tech Chemical Services”  
*Market Research Future*

## Major Key players

- Solvay Chemicals
- Evonik Industries
- Ecolab
- Aditya Birla Chemicals
- Promox S.P.A
- Christeysn
- Enviro Tech Chemical Services

- Peroxychem
- Seitz Gmbh

## The Major Key Finding That is important for Peroxyacetic Acid Market

- 1) The global peroxyacetic acid market and is expected to reach \$1,092.5 million by 2027.
- 2) Disinfectant accounted for the largest market share registering CAGR of 8.37% during the forecast period.
- 3) Regionally, Europe holds the largest market share 29% of global peroxyacetic acid market and is expected to reach \$325.1 million by 2027 from \$135.5 million in 2015.
- 4) Asia Pacific market is expected to be the fastest growing market, and expected to grow at a CAGR of 8.02% from 2016 to 2027
- 5) On the basis of applications, food segment holds 27% market share

## Market Analysis

This chemical is commercially sold in its refined structure, distilled or as a 1-50% solution containing hydrogen peroxide acidic acid and water. Peroxyacetic acid is considered as the most grounded oxidizing agent with a scope of applications including sanitization, disinfection, bleaching and sterilization. These applications mostly decompose in to the environment and do not leave any unsafe buildup. These flexible properties of the chemical settle on it the favored choice of different family, households and end users.

Peroxyacetic Acid is used in the major applications such as food industry, healthcare industry, water treatment industry, pulp & paper industries and others such as agriculture and laundry. Peroxyacetic acid is utilized as an antimicrobial for indoor hard surfaces, for example, bathrooms, washrooms, medicinal offices, sustenance foundations and rural premises.

Taste the market data and market information presented through more than 100 market data tables and figures spread in 145 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on "[Global Peroxyacetic Acid Market Information from 2016 to 2027](#)"

## Study Objectives of Peroxyacetic Acid Market:

- To provide detailed analysis of the market structure along with forecast for the next 10 years of the various segments and sub-segments of the peroxyacetic acid market
- To provide insights about factors affecting the market growth
- To analyze the peroxyacetic acid market based on various factors- price analysis, supply chain analysis, porters five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- Americas, Europe, Asia-Pacific, and Middle East & Africa.
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segments by type, by applications and its sub-segments.
- To provide overview of key players and their strategic profiling in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the global market
