

AcadGild Announces Its Scholarship Scheme for 2017-2018

Vinod Dham, Father of the Pentium Chip and co-founder of AcadGild, is proud to announce that a total scholarship amount of \$10,000 will be awarded to 50 students.

BANGALORE, KARNATAKA, INDIA, April 26, 2017 /EINPresswire.com/ -- AcadGild believes that accessing affordable and convenient eLearning options for upskilling is the smartest way to beat the high costs associated with traditional learning resulting in eventual massive college dropout rates.

“

AcadGild believes that accessing affordable and convenient eLearning options for upskilling is the smartest way to beat the high costs associated with traditional learning.”

Acadgild

The AcadGild Merit-Based Scholarship program has been designed to foster and encourage outstanding students to pursue careers in technology, analytics, marketing, and design. The partial- and full-course scholarships will be awarded based on students' academic merit and ingenuity coming from relevant fields.

To help our panel of evaluators decide on your award amount, we want you to send in the following requirements:

1. 500-word essay stating:
Your drive to upskill
Your eventual career goals
Relevant projects developed in the past (if any)
2. Academic details
3. Please attach scanned copies of your supporting academic documents (in PDF/jpg format)
4. Personal information: Name, phone number, e-mail ID, and residential address

About AcadGild

AcadGild is a boot camp-style provider of mentor-led intensive professional courses in technology, design, data, and marketing. Founded in 2015, AcadGild has trained more than 8,000 professionals and students to help transform their careers.

Our courses are highly practical and carefully tailored to help you enhance your current skills or prepare for a new career. Our mentorship models and course modules are known for their uncompromising standards of excellence.

We offer courses in [big data training](#), [digital marketing training](#), [pmp certification](#), prince2 certification, devops, data analytics and many others.

With more than 8,000 talented alumni worldwide and close to 1,000 mentors, AcadGild also works as a great learning community for life.
