

Global Disconnect Switches Market Research Report - Forecast to 2027

Global Disconnect Switches Market Information Report, by Type (Fused, and Non-Fused), by Mounting type

PUNE, MAHARASHTRA, INDIA, April 26, 2017 /EINPresswire.com/ -- Rapid industrialization in the Asia-Pacific region mainly in the India and China region has massively contributed to the growth of the Disconnect Switch market. Non-Fused type disconnect switches have been gaining popularity owing to the fact that it doesn't require any additional fuse protection. Its market is expected to grow at a comparatively fast pace as that for fused type switches. The Disconnect Switch Market is expected to register a CAGR of about 6-7% in the forecast period.
