

FindADoc Announces Major \$\$million Facelift

FindADoc unveils its new innovative Website for finding Doctors, Dentists and Hospitals

GOLDEN, COLORADO, USA, May 1, 2017 /EINPresswire.com/ -- FindADoc recently unveiled its new, long-awaited \$\$million dollar facelift to much acclaim. FindADoc, established in 1992 is the nation's longest established Internet resource for finding doctors on the Web. The FindADoc database includes well over 1.25 million doctors in the USA and over 150,000 Health Care Professionals in Canada. These [doctors, dentists and chiropractors](#) are listed by geographical location and specialty and are rated using a proprietary FindADoc algorithm. The new FindADoc.Com website also includes over 5000 USA Hospitals and 10,000 International Hospitals and Clinic.

“

FindADoc.Com may be the largest National and International Medical database on the Web and is clearly more than Just a place to Find a Doc.”

*President and CEO,
FindADoc*

The new \$\$million website incorporates some of the latest developments in digital technology. It is also available on iPhone, iPad or Android apps in the USA and in Canada. The FindADoc apps automatically locates the Street, Town or City and allows searches for doctors of any specialty in the area. Clicking the phone icon connects directly to the doctor's office!!

Critics acclaim the several one-of-a-kind features available on FindADoc. It is truly amazing how FindADoc continues to lead

the field in innovation, even after over 25 years on the Internet.

Since its launch in Canada last year, search traffic has continued to climb to astronomically high levels. It is now over 50 percent of total google analytic searches, frequently exceeding the number of similar searches in the USA.

FindADoc continues to flaunt its several UNIQUE features in front of its competition. [eSCHEDULER](#) is a web-based tool to help Dentists, Physicians, Surgeons and Chiropractors fill unexpected gaps in their Schedule, including late cancellations. The complementary feature, iSTANDBY, allows patients to find local doctors with available last minute appointments on their Scheduler - doctors have an option to provide HUGE DISCOUNTS!!!

[DOC LINK](#) is a UNIQUE tool that allows Doctor to Doctor connectivity. Any one of 1.5 million doctors can track and connect with colleagues, all of whom are connected within the massive database. Some call it 'Doc-to-Doc LinkedIn on Steroids'! Any Doctor can connect with any other Doc on FindADoc.

FINDADOC INTERNATIONAL is yet another feature, unique to FindADoc. It comprises over 15,000 International Hospitals including in the USA and Canada. It is especially useful for travelers and medical tourists, nationally and internationally.

The JOBS SEARCH FOR DOCS feature puts doctors looking for permanent and locum positions in

touch with Physician Recruitment Companies. As with several of its other features, this service is unique to FindADoc. The Healthcare Resource accepts sponsorship from companies and provides links directly to their websites. Sponsorship is available at GOLD, SILVER and BRONZE levels

FindADoc's unparalleled versatility makes FINDADOC 'More Than Just The Place to Find a Doc!!' The service provided by this resourceful website has been enjoyed for almost 25 years by millions of users in the USA and now also in CANADA!!!!

FindADoc provides a low cost subscription service, FEATURED DOCS. FindADoc FEATURED DOCTORS are displayed on the Homepage with links to their Profile Pages on which they can display customized videos advertising their offices and services. Profile Pages are linked to their office websites. A service for providing Professionally Produced Videos is available. These Videos are displayed directly on the profile page and can also be hooked up to YouTube. FEATURED DOCTORS are, of course displayed in highlights and appear at the TOP of local searches.
