

Dr. Arun Amaram, MD Joins Midlothian Primary Care Doctors

Dr Arun Amaram, MD board certified in Pediatrics and Neonatology joins Midlothian Primary Care Doctors

MIDLOTHIAN, TEXAS, UNITED STATES, April 30, 2017 /EINPresswire.com/ -- [Dr Arun Amaram](#), MD is board certified in Pediatrics and Neonatology. He completed his internship and pediatric residency at Brookdale Hospital in Brooklyn. He completed his fellowship in Neonatology at Wayne State University in Detroit. Dr. Amaram is a professional member of American Academy of Pediatricians.

His interests include newborn and toddler care, asthma and caring for special needs children or those with complex medical conditions such as Down's syndrome, autism, and former premature infants. He is also experienced in doing procedures like circumcisions. He treats common illnesses of infants and children such as cold & flu, asthma, allergies, eating disorders, diabetes, head lice, and vaccinations.

Dr. Amaram provides routine well child and same day sick appointments for patients from birth to 18 years of age. Visits for illness can be scheduled for the same day and well visits can be scheduled in advance. He is married with two sons. He is interested in watching sports, travelling and spending time with family.

At [Midlothian Primary Care Doctors](#), priority of our board certified family physicians is to deliver medical care to you and your loved ones.
