KOLKATA, WEST BENGAL, INDIA, May 2, 2017 /EINPresswire.com/ -- Universal Concept Mental Arithmetic System (UCMAS) recently concluded the 10th UCMAS state level Abacus & Mental Arithmetic Competition at West Bengal followed by an award ceremony. The competition took place on 29th April at St. Xavier's College Auditorium, Park Street and Priyanshu Snyal was announced as the state champion of this championship. He was awarded the champion trophy and a cash prize of 21,000 by Smartphone partner OKWU.

Sharing more information about this event, Mr. Snehal Karia UCMAS India CEO said "We are pleased to bring this competition to Kolkata on its 10th edition. The program is meant to provide a platform to students to showcase their talent at State level. The theme of the year completion is 'Battle of the Bests'. We are glad to announce that 1200 participants between the ages of 4 & 14 years from across West Bengal are up for the competition, and that proves that UCMAS has sparked a revolution in the education industry with more and more parents choosing UCMAS as the preferred enhancement center for their children"

Students from many reputed schools from all over West Bengal like Modern High School, La Martiniere, The Heritage, DPS, and Birla High School participated in the competition. Each UCMAS student in the competition received a paper of 200 arithmetic calculation problems depending on their UCMAS level and their age. They got a time of 8 minutes (480 Seconds) to finish as many problems as they can.

Commenting on the occasion Mr. N. Anand, Director, UCMAS, West Bengal said, "We are glad to witness zeal of our state's students to take part in this competition. The parents nowadays are more aware regarding the overall development to their wards and we are pleased to provide them platform of 10th UCMAS state level Abacus & Mental Arithmetic Competition at West Bengal. Our best wishes to all the students."
