In a city with new craft breweries emerging frequently, the Elevator Brewing Co, has been an established player of Columbus Craft Brewing for the last 17 years. The Elevator Brewing Company was founded in 1999 by a Father/Son drinking team committed to delivering quality craft beer to the people of Columbus and surrounding areas. Our Tap Room delivers a light-hearted, fun environment featuring corn hole, video games, shuffleboard and of course, our award-winning beers on tap. After all of our time in the industry, we decided it was time for a new look that speaks to craft beer enthusiasts.
