

North American Chimney & Gutter Offers Spring Fireplace Cleaning Specials

North American Chimney & Gutter, one of the Northeast's leading chimney cleaning companies, is offering discounts on spring fireplace cleaning.

BAY SHORE, NY, USA, May 2, 2017 /EINPresswire.com/ -- With winter coming to an end and the temperatures outside on the rise, now is the perfect time for homeowners to consider a thorough chimney cleaning. Chimney cleaning can keep your home safe and your fireplace ready to use all year round, and that's why [North American Chimney & Gutter](#), the Northeast's leading chimney cleaning, repair, and restoration company, is offering discounted prices on spring chimney cleaning.

For a limited time, homeowners can obtain a [furnace flue cleaning](#) for the low price of just \$49.99. This price applies to both oil- and gas-fueled furnaces. According to the NFPA, or the National Fire Protection Agency, oil flues should be cleaned annually, and gas flues should be cleaned every 12 to 18 months. This not only prevents fires, but also helps to promote the proper function of dampers, which allow your furnace to operate efficiently while allowing combustion gases to escape your home safely.

Homeowners can obtain a fireplace and furnace flue cleaning for just \$139.99, as well, which is an outstanding value. [North American Chimney & Gutter](#) will use a chemical treatment and application to safely clean the chimney flue and firebox, which removes potentially dangerous deposits that can catch fire, irritate allergies, and prevent the proper escape of combustion gases.

North American Chimney & Gutter urges all homeowners to clean flues, fireplaces, and chimneys at least annually to prevent potential hazards, and that's why these spring specials are so valuable. Contact your local North American Chimney office today to schedule your appointment.
