

# NexorONE® now offers Full Integration Capability with Intercash® Prepaid and Debit Card System

*NexorONE® announces the Full Card Platform Integration Capability with Intercash® a leading provider of payment services and card issuing.*

PANAMA CITY, PANAMA, May 23, 2017 /EINPresswire.com/ -- May 15t, 2017 - [NexorONE®](#), the leading Online Banking Software Solution™ announces the Full Card Platform Integration Capability with [Intercash®](#), a leading provider of payment services and card issuing.

This new integration capability will allow the financial entities using NexorONE® to deliver Intercash Prepaid MasterCard products to their clients and seamlessly and in real time control the multiple Card Platform functionalities and features such as: Card Request / Ordering, Card Funding transactions, Card Balances, Card Transaction History and Card Status, all directly inside NexorONE®.

“

We are very pleased to have completed an integration into the NexorONE Platform, allowing any institution utilizing their software to have instant access to a full card issuing platform.”

*Aaron Gladman, Intercash,  
VP Business Development*

“We are very pleased to have completed a detailed integration into the NexorONE Platform, allowing any banking or other institution utilizing their software to have instant access to a full card issuing platform. With the flexibility of our core technology, the PrepaidGate® can be tailored and customized with numerous features to meet any business requirements. We look forward to the synergies and success this integration brings.”

– Aaron Gladman, Intercash, VP Business Development

About Intercash®

Intercash® is one of the world's leading global providers of Prepaid Card Programs for Mastercard®. We specialize in

providing card programs in the financial industry and supply a turnkey solution to manage operations and all necessary components within the issuing chain. With the ability to provide a white label card program off the shelf means that businesses and financial institutions can start issuing their own branded cards almost immediately.
