"Today the defendant and I amicably resolved all differences in the State of Florida, Lee County Justice Center, Fort Myers, Florida. Although I'm prevented by today's agreement from disclosing the specific terms of the settlement, I can unequivocally confirm that I've been made completely whole following the civil lawsuit that I filed last March.

"I appreciate [Regions Bank](#) for their good-faith and prudent decision to immediately conclude this case through this mutual agreement today," Howe continued. "For the record, we've enjoyed a 10-year relationship that's been mutually beneficial. I'm confident that we can fully resume this otherwise long-standing and positive relationship.

"I also want to thank the Lee County Justice Center for helping to facilitate the fully compensatory and satisfactory outcome," Howe added.

“Departing the Justice Center this morning, I couldn’t help but be reminded of the powerful words eloquently stated by Dr. King that ‘An injustice anywhere is a threat to justice everywhere,’” acknowledged the Credit Czar.

“Today I honor Dr. King. I thank him for these profound words that have motivated and inspired me throughout my life.

“Yes, Dr. King’s message is forever true and must never be ignored. Due process is within reach and the pursuit is worth the effort, regardless of the outcome,” promised Howe. “I hope that my decision to obtain justice also motivates my sisters and brothers everywhere.”

#### About David Howe and SubscriberWise

U.S. Credit Czar David Howe is the highest achieving credit scoring consumer in global banking and financial history since human beings started to count on their fingers. Howe intends to demystify consumer credit and credit scores for individuals everywhere by sharing his story and experiences. Credit and credit scores impact many areas of one's financial life. Excellent credit offers rewards and opportunities; adverse credit limits choices and costs real money.

Hearing the facts about credit scores from the only citizen of the world - living or deceased - to have achieved simultaneous perfect FICO 850 scores across every national repository and simultaneous perfect Vantage scores at Equifax, Experian, and TransUnion - as well as having obtained rankings in the

100th percentile across virtually every scoring model on the market is intended to empower and encourage consumers who may be struggling with their credit and eager to get back on their feet.

Pursuing perfect credit is hardly the point and it shouldn't become an obsession; rather it is the fact that

it's possible. It requires patience and extremely careful financial maneuvers over a very long period. And

because no person can control life events, set-backs are inevitable. David Howe proves it's attainable despite his own challenges and life events during his near half-century existence on planet earth.

Howe

has literally invested decades with countless hours and thousands of dollars pursuing and mastering personal credit and FICO scores in particular. The effort has paid off and has not gone unnoticed.

Howe's passion with credit and risk management can be found everywhere in the industry today.

theft

has been shared with virtually all levels of state and federal law enforcement agencies including field agents from the FBI. In 2014, Howe was contacted by IBM's RedCell Counter Fraud and Financial Crimes

Despite being a dedicated and hard worker, Howe is a vagabond and minimalist who prefers to travel from city to city - on a whim - and at his sole discretion; rarely an agenda and often no place in particular. Howe is most contented with a simple existence, an eye on health and wellness, friends and family, warm and sunny climates, and - most especially - a morning coffee and an afternoon imbibe of red wine.

Howe holds an Associate and Bachelor of Arts degree from the College of Arts and Sciences at Kent State

University with an academic focus in human behavior at the macro level, political science, and public administration. He is a member of Pi Gamma Mu, the country's oldest and preeminent honor society in

the social sciences and Alpha Kappa Delta, the international sociology honor society.

Howe was among the first professionals in the nation to obtain the FICO Professional Certification.

Howe

was interviewed on the subject of perfect credit by BankRate.com and The Motley Fool and is the first and only citizen of the world to describe the details of perfect FICO and Vantage scores to U.S. reporters.

Howe produced and published two videos on the subject of perfect credit: FICO 850 Credit Report Facts
