

Massage Experts Franchising Ltd. Announces Canadian Expansion With Four New Clinics

Massage Experts announces plans for 4 new clinics expected to open in Fall 2017 in Regina, Saskatoon, St. Albert and a second Edmonton location.

HALIFAX, NOVA SCOTIA, CANADA,

May 4, 2017 /EINPresswire.com/ -- Just

as Massage Experts welcomed its 12th Canadian location, it is both pleased and excited to announce the build of 4 new clinics. Expected to open in Fall 2017, confirmed locations include Regina and Saskatoon, in Saskatchewan, along with St. Albert and a second Edmonton location, in Alberta.

Massage Experts Canada offers a promotional first visit rate (\$49-\$59+HST) to help spread the power of Massage Therapy to larger numbers of Canadians. With these prices, more people are enticed to visit and try this all-natural modality they may not have tried previously. It also offers a fair and competitive salary for their professional Massage Therapists in order to secure long-term, dedicated, and happy team members.

Most recognizably, Massage Experts offers exceptional therapeutic and relaxation massage services, provided through Registered Massage Therapists. They also provide 1 AIR MILES® Rewards Mile* for every \$20.00 guests spend on all products and services. As a bonus direct billing is available to most major insurance companies; meaning guest might pay anywhere from \$0 - \$15.00 out-of-pocket per service, depending on their insurance coverage or benefits.

Their Club MEx monthly membership offers discounts on services and products, in return for receiving 1 treatment per month for 12 months. Becoming a member is FREE. Combining group health insurance benefits with these discounts allow clients to stretch their massage budget or health spending account even further. Enjoy a massage for less than a few cups of coffee per month! There are also market competitive pricing options for non-members as well, because the choice is always the guest's.

With such dynamic growth since their opening in 2013, Massage Experts Franchising Ltd. anticipates having 20 clinics open from coast-to-coast within the next year. "Our brand welcomes clients who are members or non-members, at terrific and competitive prices. Why go for a massage a few times a year, when a monthly maintenance program pays much more attention to this much-needed health benefit, and gives you discounts for your loyalty", states Clayton Hamilton, President & CEO, Massage Experts Franchising Ltd. "This business model works well for Franchisees, as it offers them guaranteed residual monthly income."

Massage Experts' bookings are made effortlessly online, via a mobile device, email, phone, or on the Facebook APP. The Massage Experts APP is also available for FREE download in the iTunes Store or the Google Play Store. For more information, please visit www.massageexperts.ca.
