

# Giovanni's Trattoria To Launch New Dining Concept La Terrazza

*Late Night Dining & Cocktail Menu Served Throughout the Summer Thursday thru Saturday Until 2am & Brunch Served Every Sunday*

STATEN ISLAND, NEW YORK, UNITED STATES, May 4, 2017 /EINPresswire.com/ -- Giovanni's Trattoria, celebrating its second year in business under new ownership, will launch a new dining experience on its outdoor patio called [La Terrazza](#) this May. [Terrazza](#), Italian for terrace, will feature a fusion of traditional and contemporary food items as well as exciting handcrafted cocktails which will be served Thursday thru Saturday from 10pm-2am. Terrazza will also offer a brunch menu on Sunday's beginning Mother's Day.

"Dining options after 10 or 11pm are extremely limited," said Frank Rapacciuolo, Co-Owner of Giovanni's Trattoria and La Terrazza. "There's no reason that after going to see a movie, or getting home late from work, that you can't enjoy great food and cocktails as well as service. That's what our new concept is all about."

Terrazza will feature menu items such as truffle mac and cheese, chicken Frangelico skewers, and skirt steak, as well as some creative culinary dishes like Italian Tacos, baked clams limoncello, and a flight of burrata cheese. Handmade brick oven specialties will also be featured in the food lineup.
