/EINPresswire.com/ -- San Ramon, CA — A lucky resident of Springfield, Illinois drove home Wednesday in a brand new, customized Tesla Model X awarded to her from Contractors.com. Jacqueline Thomas won the \$85,500 valued prize in an online sweepstakes that was held by Contractors.com in the months leading up to the beta launch of its cutting edge platform – a home improvement service with ambitions of revolutionizing the way property owners find and book quality contractors.

As a busy mother of a 3-year-old, she was thrilled about the upgrade, as well as the ability to design and customize her own Tesla.

Members of the Contractors.com team greeted Jacqueline, her fiancé, and her son at the Tesla Chicago-Westmont dealership to present the vehicle. Jacqueline works in childcare.
