

Creating Definitions That Make the World Wise.

Defining wisdom in a way that understanding and teaching wisdom becomes assured by enabling a clear and easy path to wisdom.

RIDGEFIELD PARK, NEW JERSEY, USA, May 5, 2017 /EINPresswire.com/ -- Definitions That Work.

“

The shortest, easiest and assured path to wisdom is by way of redefining wisdom by its most easy to define, measure and teach attribute - humility.”

Sajid Khan; Humility is the power that generates wisdom.

DEFINE [WISDOM](#) AS HUMILITY.

Understand that wisdom is a compound where every component has in it every other component of wisdom. Love is also sincerity, [humbleness](#), truth etc. Each and every component of wisdom loses its own identity and becomes wisdom. Creating any one of the components of wisdom will create all the components of wisdom; thus creating wisdom. The crystal clear component of wisdom that is the easiest to define, understand and create is humility. Thus the easiest way to create wisdom is to define wisdom as humility. To define, measure and create wisdom, define, measure and

create humility. We already 'upbring' our girls humble; while upbringing our boys macho; as a result we raise our girls wise while raising our boys ignorant.

DEFINE WISDOM AS [EMOTIONAL HEALTH](#).

Wisdom above all is unconditional love and as love is an emotion so is wisdom. Wisdom is an emotion that springs from an emotionally healthy brain. An emotionally healthy brain is a brain that is free of all emotional baggage.

DEFINE THE MIND AS THE SELF-IMAGE.

To know, define and actualize the mind; know define and actualize the self-image. As the self-image is the face of the mind, mental health is self-image health. A humble self image is wisdom while a macho self-image is ignorance.

DEFINE WISDOM EDUCATION AS CREATING A HUMBLE SELF-IMAGE.

Wisdom education boils down to cultivating humility by removing machoness from the self-image.

DEFINE EDUCATION AS TWO SEPARATE ENTITIES OF BRAIN & MIND EDUCATION.

The fact that brain education and mind education are lumped together as simply just the single entity of mind education has resulted in all this mess in society from constant tiredness, to unhappiness, to student failures, class divides, poverty, wars, corruption, crime, drug addiction and every other man made ill of society.

It is well known that man becomes wise by old age. What happens is that the wisdom blocking emotional baggage in the brain gets ground out over many decades; leaving the brain emotionally healthy. The focus of wisdom education has to shift from trying to educate the mind about wisdom to healing the brain of all emotional baggage. We need to split education into separate entities of Brain and Mind education.

What the world needs is brain education through emotionally healthy upbringing of the young and brain therapy for the rest of the population.

DEFINE PEACE AS HUMILITY.

Peace is possible only by bringing humility to the peace table by all opponents.

DEFINE PURE HAPPINESS AS EMOTIONAL HEALTH.

Only an emotionally healthy brain can generate pure happiness.

REDEFINING JUST A FEW WORDS CAN BE HARNESSSED INTO COUNTLESS WEALTH, HEALTH, PEACE AND HAPPINESS.
