

ACHECK21 ANNOUNCES STRATEGIC ALLIANCE WITH SNAPCHECK

SnapCheck – a high speed, highly secure and universally accepted solution dedicated to eliminating paper checks

ST CHARLES, MO, UNITED STATES, May 10, 2017 /EINPresswire.com/ -- ACHeck21® is announcing a strategic alliance with [SnapCheck](#). SnapCheck is a high speed, highly secure and universally accepted solution dedicated to eliminating paper checks. SnapCheck has created a unique open-ecosystem platform for paying anyone, anywhere with the familiar form of a [check](#) but without the need for your checkbook. The SnapCheck digital Check solution combined with ACHeck21 gives businesses, [banks](#) and consumers the ability to save over 50 billion dollars per year in costs and 20 billion per year in fraud losses. And, by eliminating the over 20 billion checks written in the US each year, one million trees could be spared.

a high speed, highly secure and universally accepted solution dedicated to eliminating paper checks

Improve efficiency and reduce complexity for user, organization or Business

“This alliance opens immense possibilities for both companies to offer solutions to banks, insurance companies, car dealers and others whose customers want to pay by check but don’t want to carry a checkbook,” said Sam Ackley, CEO of DCS Holdings Group, LLC the owner of ACHeck21. “It offers something unique in the marketplace no other payment facilitators offer – the ability to electronically pay by check”, according to Ackley.

“

We are very pleased to be able to support new FinTech.” said Sam Ackley, CEO of DCS Holdings Group, LLC d/b/a ACHeck21. “With ACHeck21, any customer can get to market faster and see immediate ROI.”

O Sam Ackley

“We’re excited to be working together with ACHeck21. Together we’re bringing about a new digital reimagination of checking that gives businesses a pragmatic way to realize the benefits of electronic payments without having to overhaul their back office processes,” said Ken Kruszka, CEO of SnapCheck, Inc.

As with all ACHeck21 services the service allows those accepting SnapCheck to integrate direct to the bank of your choice or use third party processing for both ACH and Checks. For more information please contact sales@dcsdeposits.com and refer to “SnapCheck” in the subject line.

ACheck21 is an intelligent private financial cloud that combines ACH (Automatic Clearing House) entry classes and Check21 (Remote Deposit Capture) along with ancillary services and features into a single hosted work flow. ACheck21 offers a fully supported RESTful API, Mobile, RDC Products and Remittance Processing. ACH21SM Payment Gateway offers a fully integrated management console that puts you in the driver's seat.

ACheck21 software is designed to improve efficiency and reduce complexity for any user, organization or business processing ACH, Checks or verifying account information from point of sale, the internet, mobile devices, laptops, desktops or scanners. If you would like more information about ACheck21 and the services we offer, please contact Ralph Martinez at 314-282-3666 or email at sales@dc deposits.com or please go to www.acheck21.com
